Sam's Legacy Society

Sam's Legacy Society honors IDA's top, pace-setting donors by recognizing that their annual gifts have paved the way and delivered extraordinary opportunities for learning across the nation and around the world. When you create a Circle of Friends and raise \$5,000 or more, your circle will be recognized for giving at one of five giving levels within Sam's Legacy Society. Each of your donors will receive Loyalty Giving recognition for a full year beginning with the first, or continuing, Sam's Legacy-level gift. All circles are perpetual and will remain in good standing as long as giving at that level continues.

Creating or giving in circles at legacy levels opens doors of opportunity for individuals with dyslexia along with families, teachers, researchers, and advocates. Whether for training, educational resources, family services, research, or advocacy, annual leadership gifts ensure that individuals with dyslexia, and those who support them, are on a path to success that will have an extraordinary impact on our nation and beyond.
