- **4. Verify your information.** The information in your account is what we were able to transfer from our previous records. You now have an important opportunity to make additions or corrections. If you have already registered for DyslexiaCon21, your registration will reflect in your account. If you are signed up for membership auto-renewals, your subscription will be transferred to the new portal in June.

You can now access your membership benefits, including publications and discount links, through this membership portal using the Member Resources menu (which will appear when you login). We also invite you to post in our community boards and register for the IDA Conference (if you haven't already done so) all through this new system.

If you have questions regarding the new system or your membership, please contact us at member@DyslexiaIDA.org.

Thank you!
